

ATTENTION LCA MEMBERS:

It doesn't matter if the dumpster belongs to Lake Carroll, a contractor, or a homeowner...if YOU didn't pay for it or get permission to use it, **YOU CANNOT DUMP ANYTHING IN IT!**

It is illegal to dump residential refuse in any Lake Carroll Association dumpsters or dumpsters rented by contactors.

If your residence does not receive garbage pick-up then the garbage must be transported back to your primary residence. Please advise your guests of these regulations.

Your cooperation is greatly appreciated.
