

Please join us for the upcoming

East Fork Creek Watershed Plan Planning Meeting

Lake Carroll Conference Center
3-200 Association Dr., Lanark, IL 61046

Monday, September 23, 2019
6:00-8:00 pm

Light snacks will be served

We as a community have created a plan to care for East Fork Creek, Lake Carroll, and the surrounding lands and streams. We hope that you will join us to review our plan and take the next step to organize how to implement the plan. In preparation for the meeting, please see the enclosed agenda and road map of our planning process. To review the final draft of the inventory, please go to the link: <http://olsonecosolutions.com/watershed-resource-inventory.html>. To review the current draft of the plan, please go to the link: <http://olsonecosolutions.com/east-fork-creek-watershed-plan---draft.html>. Please note that the draft of the plan is in process and a more updated version may be uploaded prior to the meeting.

Even if you are unable to attend the meeting, you can share any thoughts and contributions to the plan by providing your thoughts and comments to Rebecca Olson, Olson Ecological Solutions, rebecca@olsonecosolutions.com, 815-985-2689. Thank you in advance for your time and effort.

This is the final planning meeting to be held during the EPA grant funded planning process! Please attend if you are able. Future meetings and efforts will be discussed.
