

Closing Policy

The entire Aquatic Complex will close if one or more of the following criteria are met:

1. Thunder is heard or lightning is seen.
 - a. If thunder is heard or lightning is seen all patrons must clear the Aquatic Complex.
No one may remain in the Aquatic Complex during thunder and/or lightning.
 - b. After 20 minutes with no sounding of thunder or sight of lightning patrons will be permitted to re-enter the Aquatic Complex. No one may re-enter unless there are evident signs of clearing and the sky is no longer dark and threatening.
2. Conditions of the Aquatic Complex, water, locker areas, etc. are unfavorable to the health and welfare of patrons or for any reason deemed hazardous to patrons.
3. The outdoor pool will close if the air temperature is less than 65 degrees Fahrenheit or there is heavy rain or rain for more than 20 minutes.
