

West Marina Dockside Gas Service

Guidelines for dockside fuel dispensing.

1. When members pull in, their fuel fill must be on the side of the pump.
2. Members need to exit their boat and stand on the main section of the pier to provide social distancing.
3. Members can then return to their boat after the employee clears the pumps and is ready to accept payment.
4. Payment will only be by Credit or Debit Card - No Cash.
5. Only Fuel and Oil will be available at this time.
